St. Katherine Orthodox Church
142 Hammock Drive
Lexington, South Carolina 29072

Dear Father Anthony and Mother Mariana:

We have recently learned that you are operating a church from a residence at 142 Hammock Drive in Bent Creek Plantation. The Town of Lexington's Zoning Ordinance requires churches to be located with a commercial zoning district. Unfortunately, Bent Creek Plantation is located within a residential zoning district, not a commercial one. Therefore, you will need to stop operating the church from this location.

If you have any questions about where you would be able to operate your church within the parameters of the Zoning Ordinance, please let me know. I would be happy to help you determine whether a potential location is a permissible one.

Sincerely,

Leah Youngblood
Zoning Administrator
